MAY ASK GOVERNOR FOR PROTECTION AT MARKSBERRY TRIAL

Lawyer Says He Will Appeal to Governor Tomorrow for Troops if Necessary to Insure His Client's Safety at Trial at Brooksville.

Covington, Ky., December 29.—Attorney Lewis F. Brown, of Covington, has conferred with relatives of Thomas Marksberry, held in the Covington jail for safekeeping and who is charged with murder, in Bracken county, of Jesse Glenn, who lived near Brooksville. It is probable Brown will be employed to defend Marksberry, who enters a vigorous denial of the charge placed against him.

Marksberry was brought to Covington several days ago by Sheriff Thompson, of Bracken county, after, it is said, a mob threatened the man's life. Glenn's torso was unearthed near Marksberry's home, and soon after the discovery a mob was organized.

"It is probable that soon after the first of the year Marksberry will be given a preliminary trial in Bracken county, and if I am employed in this case, I will seek to have ample protection for my client," said Attorney Brown. "If necessary, I will appeal to Governor Morrow or request the Bracken county authorities to do this in order that Marksberry is afforded protection."

According to Attorney Brown, a mob visited Marksberry's home, near Brooksville, several nights ago, and ransacked the place. It is said the mob was looking for the head and legs of the murdered man. "Marksberry's home was ruined by the invaders," said Brown.

"I know feeling is high in Bracken county, but I believe the authorities will see that Marksberry is given protection when his case is called for preliminary hearing. The man is innocent, notwithstanding the chain of circumstances that surround the case," said Brown.

Marksberry formerly was a Baptist minister and held several charges in small towns in Kentucky.

Brown conferred with Arthur Walker, stenographer in the Kenton circuit court, with the purpose of engaging the latter's services during the trial, and Attorney Robert Hargett, of Bracken county, conferred with Attorney Brown regarding the case.

CENSUS ENUMERATORS TO BE INSTRUCTED WEDNESDAY

Census Supervisor And His Assistants Will Be Here on Wednesday to Instruct Mason County Enumerators.

Census Supervisor Denham and his assistants arrived here from their homes in Lewis county on Sunday and will spend the next three days in Maysville and Mason county getting ready for the final instructions which will be given to the enumerators at the government building in this city on next Wednesday.

There has been considerable trouble in getting a complete list of enumerators for this county as several who successfully passed the examination and were given the appointment have resigned and these vacancies must be filled before Wednesday.

All of the necessary equipment will be on hand at the meeting of the enumerators this week and they will be given full instructions on how to do the work. Actual work of taking the count of the citizens of the United States is expected to begin in cities of more than 5000 inhabitants on the 2nd day of January. It is reckoned that it will require about three months to complete the work in this district.

COUNTY JUDGE FILES

STRONG BOND

County Judge H. P. Purnell today filed in Circuit Court his bond for \$10,000 for the last two years of his term of office. The bond was an unusually strong one with the following business men as sureties: E. T. Kirk, C. L. Wood, W. L. Traxel, Clarence Mathews, J. M. Collins, Charles Rosenstien and W. W. Ball, Jr. Other county officials must present new bonds before the first of the year.

ONE RESOLUTION IS SUFFICIENT FOR NEW YEAR, SAYS PASTOR

Resolve at the Beginning of the New Year to Face Problems as They Are Reached With the Help of God, Advises Pastor Davis in Sermon.

Advising his parishioners to live closer to God during the coming year and to seek Him more diligently, Rev. John A. Davis, pastor of the First Baptist church, in a sermon on the subject "Facing The Future," Sunday morning said that he would not advise the making of a long list of resolutions at the beginning of the new year, just to be broken within a few weeks. His advice was that one resolution be made and kept all during the year and this resolution was that the problems of life shall be tackled and solved as they are reached through the help of God.

Phil. 3:13 and 14 was the pastor's text and he urged his hearers to forget the past year except to profit by the mistakes and to press forward into the New Year of opportunity and responsibility with a determination to conquer.

The pastor stated that to live a life in this world was more solemn than to die and that to face the responsibilities of life was more serious than death.

The sermon was a unique New Year's message and yet one that was really worth while to those who heard it in entering upon another year of life.

WELL KNOWN C. & O. ENGINEER DIES AT COVINGTON HOME

Captain W. M. Lewis, aged 56, one of the oldest, in point of service, and one of the most popular engineers on the C. & O. railroad system, died at his home in Covington Saturday of appendicitis, after a short illness. Captain Lewis was unusually fortunate in his long connection with the C. & O. in having few accidents. He ran for many years fliers No. 3 and 4 and the most serious accident he had during his career was at the Broadway street crossing in this city several years ago when his train struck and killed two little boys returning home from the Sixth ward school. Captain Lewis was a prominent Mason. Funeral will be held at the late home Tuesday.

TRIED TO TAKE HER OWN LIFE; FOUND TO BE INSANE

Aged Colored Woman, Born in Slavery Tried to Throw Herself in Front Train and Begged Relatives to Cut Her Throat.

Lizzie Brown, daughter of Uncle Harrison Clay, well known old colored man of the East end, was brought before Judge Newell and a jury in Circuit Court this morning for a lunacy inquest. She was found to be of unsound mind and will be taken to the state asylum for the insane at Lexington for treatment.

The age of the woman could not be ascertained. Her father, who was not certain about his age but thought he was about 87 or 88, said that his daughter was born several years before the war. He said that he was sold into the South when the daughter was about five years of age and that he was in the South several years before the war. Upon gaining his freedom, he said he returned to Maysville and found his daughter married. She is now a widow and resides with him.

Several nights ago the aged woman slipped from her home and was found on the C. & O. railroad track. She told those who found her that she had planned to throw herself in front of the first train that came along. She is also said to have begged members of her family to cut her throat and has carried a razor about her home.

A guard from the state asylum is expected to arrive tomorrow to take the woman to Lexington.

STATE SEEKS DELAY IN TRIAL OF DOCTOR HELD FOR MURDER

Inability to Locate Witnesses to He Grounds of State's Attorneys—Gardner Girl Arrested On Delinquency Charge.

Louisville, Ky., December 29.—When Dr. Christopher G. Schott is arraigned in City Court this afternoon to answer a charge of having slain pretty seventeen-year-old Elizabeth Ford Griffith, his office attendant, Prosecutor Robert H. Lucas will ask that the hearing be postponed for two or three days.

This request, Mr. Lucas said will be based on the inability of the prosecution to locate witnesses.

Dr. Schott's attorneys, however, will renew their motion for bail, and witnesses will be called and examined in this connection, it is said. If bail is denied there is a likelihood that attorneys for the defense will seek the issuance of a writ of habeas corpus.

Similar action, it was indicated, might be taken also in the case of Laurene Gardner, 13 years old, arrested last night on a charge of delinquency and now being held in the Detention Home.

The arrest of the Gardner child, according to statements made by the prosecution today, is an independent action and at this time is not to be construed as implicating the child in the murder case.

The child's alleged delinquency, it was said, was a natural development that followed an inquiry into her relations with Dr. Schott, and the move was deemed to be advisable by probation officers, who felt, they said, that the girl's parents were not exercising the right sort of guardianship over their child.

No member of the Police Department nor the City Prosecutor would be allowed to question the child, it was announced.

Mrs. W. M. Gardner, the child's mother, visited the Detention Home today. The mother's first question was: "How are they treating you, Laurene?" Assured that her surroundings were pleasant and she had received every consideration the mother took another tack. "If they question you, don't tell them a thing," she told her daughter.

The Matron, who was present at the meeting, warned Mrs. Gardner that she was violating a condition of her admission to the home.

As Mrs. Gardner was leaving, however, she called back: "Remember what I said, Laurene—not an answer must you make to their questions."

UNCERTAINTY OF WATER MAY CAUSE PLANT TO CLOSE DOWN

The uncertainty of city water supply will probably cause a shut down of the American Tobacco Company's plant sometime this week, Manager Duke, of the local plant, informed Mayor Thomas M. Russell this morning.

TOBACCO MARKET IS REOPENED WITH PRICES VERY LOW

American Has No Buyers on the Market Today and Farmers Are Much Displeased With Prices—Offering Short.

The Maysville Looseleaf Tobacco Market was re-opened this morning with sales at every warehouse but with very little tobacco on any of the floors. The growers had not delivered much tobacco during the holiday season and there was little delivered this morning.

The sales for the day were very discouraging, according to the growers, in comparison with prices which have maintained before the market was closed for the holidays but the tobacco offered was of a poor quality and as the American Tobacco Company had no buyers on the market, this is supposed to have had some effect upon the price.

PEPTO-MANGAN HELPS WIN GOOD HEALTH

Full-Blooded, Kaergelle Men and Women Possess Great Personal Magnetism—Pepto-Mangan Improves Blood—Pepto-Mangan Restores Men and Women to the Happy, Red-Blooded Class.

At any social gathering, the happy, healthy, magnetic man or woman is always the center of attraction—all eyes are focused on such people with deep admiration. Healthy people enjoy themselves everywhere! Their personal charm and magnetism make their company eagerly sought for; they are always welcome—and usually popular.

Yet many men and women who now enjoy such happiness have not always been blessed with the vigorous, full-blooded, magnetic type of individuals.

Thousands of such people owe their present state of health and happiness to Gude's Pepto-Mangan. Thin, nervous, worn-out, rundown people find that Gude's Pepto-Mangan tones up the entire system wonderfully. It enriches and increases the supply of red blood, enabling it to carry strength and vigor to every part of the body. Pepto-Mangan is made in liquid and tablet form, both containing the same medicinal value.

Ask your druggist for "Gude's" Pepto-Mangan and be sure the name "Gude's" is on the package. Without the name "Gude's" it is not Pepto-Mangan.

Every clock in the world would stop for one hour, all business suspended, not a wheel turned, not a human being moved; that during this hour, a hushed hour, the world halted to think and meditate, what would your thoughts be? Time never saw such a wonderful cast--13 real stars in 13 character parts.

PRETTY BABY IS BIG GIRL SHOW FRIDAY

Big Musical Show Coming Friday of Next Week Is One of the Season's Biggest.

It would be gathered from the fact that the big musical comedy "Pretty Baby" which comes to the Washington Theater for one night only on Friday, January 3. Features the feminine element, that it lacks male talent. Directly the contrary is true. It holds the record of being the best-selling attraction on tour. Jimmie Hodges and Eva Lappin, are ballad singers of the best, Tom Williams is gifted with a tenor seldom heard in the fields of musical comedy. Johnnie O'Neill will oblige with several musical comedy numbers, Norman Coudy is also gifted with a delightful baritone and does some excellent solo work, while the trio in the front rank as an organized singing trio.

All the numbers in "Pretty Baby" are of recent composition, ranking from popular material to those of true musical worth. There is music for every taste.

Three of the male members of the company have only lately joined the ranks of the Jimmie Hodges' company, since the spring of 1917, they have been with the big show Uncle Sam has been producing and rejoined the "Pretty Baby" revue after all were given their honorable discharge from further service. Few would think that Jimmie Hodges, Norman Coudy or Ted Shaffer whom you see prancing, singing and dancing in musical comedy regalia were so short a time ago clad in khaki doing their bit amongst three million others for their country.

Following the custom of the past, many American learns and scientific societies will take advantage of the holiday season to hold their annual meeting this week.

Many men and women interest in municipal betterments are to gather in Cleveland today for the twenty-fifth annual convention of the National Municipal League.

Sealskin is naturally of a light drab color, but it is dyed for the market.

JEWS TO HAVE FLOUR FOR UNLEAVENED BREAD

Jewish Relief Committee Sends Supply of Flour to Folks in Jerusalem.

New York, December 29.—Poland's destitute Jews, who have gone foodless through five years of joyless holidays, will celebrate the Feast of the Passover this year with real unleavened bread.

Funds raised by the American Jewish Relief Committee and its kindred organizations are making it possible for Poland's three million suffering Jews to have their "matzoth" or unleavened bread at their Passover feasts this year, although the "matzoth" will be the only reminder to these starving people of the sumptuous feasts they used to have before starvation and disease began thinning their ranks.

Flour is to be shipped to Poland at once by the Joint Distribution Committee which directs the relief work of American Jewish Relief organizations. Destitute Polish Jews will be employed to manufacture the unleavened bread, which according to plans of the Joint Distribution Committee, will give employment to several thousand men, women and children and help to revitalize the baking industry in addition to providing needy Jews with food during the holidays.

During the four days beginning today Harvard University will entertain the annual sessions of the American Anthropological Association, the American Psychological Association, and the American Folk-Lore Association.

Boston will be the meeting place today of the annual sessions of the Geological Society of America and of the American Paleontological Society.

IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Maysville Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains often come from weak kidneys.

Read what a Maysville citizen says: Mrs. R. W. Lauderdale, W. Second Street, says: "Two years ago I was suffering with kidney troubles and had been for a long time. I was nervous and dizzy and had severe headaches. My kidneys were too frequent in action and annoyed me greatly. I had a dull ache across the small of my back and my back was so lame at times that I could hardly bend over or get up."

Some one advised me to use Doan's Kidney Pills and I got a box at Wood & Son's Drug Store. They helped me at once and continued use entirely cured me of the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lauderdale had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

In several well-known hospitals. Dr. Flexner's achievements in the field of medical research have been recognized in honors bestowed upon him by prominent universities and societies at home and abroad.

The annual meeting of the American Society of Church History will begin its sessions today at the Union Theological Seminary, in New York City.

Elite Confectionery**WHY, OH WHY?**

Harp so much about averages—we could fill this space with ours and then you would know very little about the market.

What the seller wants is attention and full value for his tobacco, whether the crop is HIGH, MEDIUM or LOW GRADE.

Most growers in this territory are unfortunate with the crop this year, by having it short in weight and that, not the best in the world. Appreciating this fact, we expect as usual to give the same attention to all regardless of quality.

To find out who are making the SATISFACTORY SALES and having the SMALLEST REJECTIONS look around and see for yourself.

Miss Margaret M. Buckley, attractive daughter of Mr. and Mrs. John Buckley, of Second street, and Mr. Richard T. Gaither, son of Mr. and Mrs. Thomas F. Gaither, of Forest avenue, surprised their many friends Friday when they quietly slipped away to Cincinnati and were married.

GREAT COMEDIAN COMING TUESDAY IN MUSICAL SHOW

De Wolf Hopper, One of the World's
Greatest Fun Makers Will Appear
In Person Here Tuesday.

De Wolf Hopper's coming appearance here in the international success "The Better Ole" signifies an event of rare interest for all who appreciate the fine things that the modern stage offers. Mr. Hopper, who has a legion of admirers throughout the country has scored the hit of his career behind the footlights by his masterly interpretation of the role of Ole Bill. The character, derived from Captain Bruce Bairnsfather's famous cartoons, is one of the most human types ever conceived, and Mr. Hopper is ideally fitted by nature and training for its interpretation. "The Better Ole" which has enjoyed big popularity on both sides of the Atlantic, will be interpreted here by the same organization of artists that supported Mr. Hopper during his New York engagement. The action of the play is interspersed with numerous catchy and inspiring musical numbers, and this incidental feature entails the services of a vivacious and sprightly chorus. This big musical show will be the attraction at the Washington Theater on Tuesday evening.

ANNOUNCEMENT

We beg to announce that the orchestra of the ENRICOS FILIPINO SERENADES, (Refined Instrumentalists) will render a very exceptional MUSICAL PROGRAM for the New Years Dance to be given by the Maysville Assembly at Neptune Hall.

We expect the attendance of your uncollected patronage, as this is positively the most exceptional music for any dance given, being new to the American people, so different from the ordinary orchestra and Jazz Band music, so seldom heard in the United States. The press in the larger cities has said much about them and we are fortunate indeed, in securing their services.

WONDER IF IT

TASTES LIKE OURS

The Cincinnati Post says: Peculiar taste in city water the past few days is harmless, according to J. A. Hiller, waterworks superintendent, who traces it to industrial residue deposited in the Ohio River above Cincinnati.

"The water was affected similarly two years ago, but became normal in a few days," Hiller said Monday. "Tests do not show what the residue is."

GREAT NEW YEARS' FESTIVITIES

New Years' Eve will be a great evening in Maysville for plans are being made for many festivities. The Terpsichorean Club and the Maysville Assembly Club have both made plans for big dances and will have unusually attractive music. Several of the local churches have planned New Years' socials and Watch Night services.

CONSIDERABLE TOBACCO EXPECTED THIS WEEK

There was very little tobacco delivered on the Maysville local market during the holiday season but warehousemen are expecting quite a bit of the weed to be delivered for sale this week. Quite a rush of Ohio tobacco purchased by speculators is expected to be delivered during the week.
